

Meacham Park Scholars Award

The increasing diversity of our society reminds us that if our nation is to sustain its role as a world leader we must ensure that all Americans are given the necessary motivation, support, and opportunity for success.

The Meacham Park Scholars Award is a merit based scholarship created in order to reward African American students who pursue Academic Excellence.

Your donation will help remove financial barriers so that the next generation of leaders can follow their dreams and create an inclusive, life-affirming, just and healthy world we want! Furthermore, your donation will help send the message that their Kirkwood community fully supports them and is committed to help them reach their full potential.

Normally, the ticket sales from the annual Martin Luther King Celebration would help fund this scholarship. However, due to the COVID pandemic, we are dependent on donations from members of our community. We will be posting a virtual edition of the celebration on MLK day, January 17. Use the web address below where the video link will be posted.

I hope you will join us in this effort by making a tax-deductible contribution to the Meacham Park Scholarship Fund.
