

The Meacham Park Scholarship Fund

The increasing diversity of our society reminds us that if our nation is to sustain its role as a world leader we must ensure that all Americans are given the necessary motivation, support, and opportunity for success.

The Meacham Park Scholars Award (MPSA) is a merit based scholarship created in order to reward African American students who pursue Academic Excellence

The Meacham Park College Success Award (MPCSA) is a new award to help encourage African American high school and college students to continue to pursue their education

For students that are dreaming of the college they'll attend and the education they'll receive your donation will help remove financial barriers so that the next generation of leaders can follow their dreams and create an inclusive, life-affirming, just and healthy world we want!

Furthermore, your donation will help send the message that their Kirkwood Community fully supports them and is committed to help them reach their full potential.

I hope you will join us in this effort by making a tax-deductible contribution to the Meacham Park Scholarship Fund.
